

A YEAR OF MOVEMENT

CRM works to create movements of committed followers of Jesus.

These Gospel movements happen when the good news of Jesus spreads contagiously through a network of social relationships whereby many people become followers of Jesus and groups of these disciples rapidly multiply. Such movements have the potential to radically impact whole towns, cities and nations for God.

This ministry report highlights the results of such movements during the past year of our ministry. Please join us in celebrating what God did in 2016 as we *boldly go* into the new year.
