

CREATIVITY + REDEMPTION

Novo is a Latin word that means to make new.

Our name is a powerful statement about the aim of our partnership with God's work in the world—the redemption of people everywhere. We long to see men, women, and children made new in relationship with Jesus.

Our name also describes how we go about this redemptive mission. We are innovators, risk-takers, and catalysts who believe creativity is critical to sparking and sustaining the gospel movements we long to see.

MAKE NEW

2019 ANNUAL MINISTRY REPORT

novo.org

2019

Novo is a band of creative missionaries sent to multiply movements of the gospel and mobilize the church for mission around the world.

In the past year, we witnessed these results in the essential components that make up gospel movements:

ACTIVATING PRAYER

Every movement begins with prayer—prayer that is focused, strategic, and operates comfortably in the supernatural. Activating prayer lays the foundation for gospel movements to launch and thrive.

1,220 hours each week our staff practiced activating prayer including intercession, prayer walking, healing, blessing, and listening prayer.

3,039 people were trained in various forms of activating prayer, enabling them to discern strategy for mission, exercise spiritual authority, and minister more effectively to those far from God.

Data collected from Sep 2018 to Aug 2019

ENGAGING CULTURE

Movement gains momentum as we engage others where they live. Jesus modeled seeing and serving people's felt needs as a powerful and transformative expression of God's love.

46,391 relationships were cultivated between our staff and people walking toward Jesus.

728 redemptive initiatives were engaged to care for the felt needs of communities where our staff live and serve.

MAKING DISCIPLES

Every gospel movement includes people far from God becoming committed followers of Jesus and then making disciples of others. Such multiplication is at the heart of all we do.

40,184 people started following Jesus through the ministry of Novo staff and those we work alongside.

12,422 Discovery Bible Study groups were started or continued by our staff & those we serve.

168,556 participants attended these Discovery Bible Study groups.

GROWING LEADERS

Healthy leaders are essential for every movement of the gospel to thrive, and developing these leaders is integral to a movement's longevity & reach.

20,612 leaders were equipped through Novo trainings and events.

1,043 inactive believers were mobilized into active mission and ministry.

4,756 leaders were trained to multiply movements of the gospel.

FORMING CHURCHES

Through discipleship, training and coaching, Novo staff pioneer new expressions of church and help mobilize the existing church for God's redemptive mission.

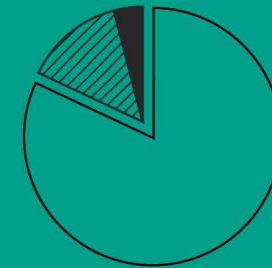

179 new churches were formed through the ministry of Novo staff.

33 of those new churches were planted as the direct result of a Discovery Bible Study.
