

GOD IS STILL AT WORK...

In a year that has been full of disruption and difficulty for all of us, we at Novo have seen God continuing to work despite—and even through—the troubles of the past year, as you will see in these pages. We've also seen a deep work done within our mission that is not as easily captured by the "numbers" (or the fruit, as we like to say). For there to be fruit, there must be a tree and, for there to be a tree, there must be a trunk and roots that bring life to the branches.

Our staff live or have a meaningful ministry presence in 163 countries around the world

GLOBAL AFFILIATES

Our goal is to launch affiliate organizations with shared vision and values in the countries where we work. These affiliates are led by national leaders and mature into sending organizations themselves.

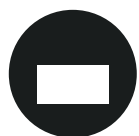

THE FRUIT

In this year, God has been on the move, bringing those far from Him to become committed followers of Jesus and be mobilized into ministry.

THE TRUNK

Disruption in our normal schedule has allowed us to invest more in the systems and structures of our organization that make us stronger and more stable than ever before.

THE ROOTS

One of Novo's strategic priorities is to continually deepen our intimacy with Jesus. Over the past year, we've seen a profound deepening of our roots as we have learned to rest in God's presence and provision.

OUR MISSION

Novo is a band of creative missionaries sent to multiply movements of the gospel and mobilize the church for that mission around the world.

ACTIVATING PRAYER

Every movement begins with prayer that is focused, strategic, and operates in the supernatural.

Activating prayer lays the foundation for gospel movements to launch and thrive.

1,585

hours each week we practiced activating prayer: intercession, prayer walking, healing, blessing, and listening prayer

3,742

people trained, enabling them to discern strategy for mission, exercise spiritual authority, and minister to those far from God

ENGAGING CULTURE

Movement gains momentum as we engage others where they live. Jesus modeled seeing and serving people's felt needs as a powerful and transformative expression of God's love.

35,488

relationships cultivated between our staff and people walking toward Jesus

531

redemptive initiatives engaged to care for the felt needs of communities where we serve

MAKING DISCIPLES

Our essential work is to see people far from God becoming committed followers of Jesus and then making disciples of others.
